**Golf**  
with Golf's Elementary

Golf's Elementary teaches the lifelong game of golf to kids through the life values of respect, courtesy, honesty and integrity and we do it in a fun, safe and interactive environment! We teach golf through incorporating other sport motions. If you see us hitting a cricket bat or throwing soccer balls, that is all part of the learning process. The students will hit a lot of golf balls too! The program will build confidence in your child through interaction with other children, and reach goals they have set for themselves through the guidance of our PGA Certified Instructors. Golf's Elementary provides all the equipment, including golf clubs designed specifically to fit children, synthetic turf mats, safe and lightweight golf balls, games and drills, putting green, targets and visual aids.

***Martial Arts***  
with *United Martial Arts*

**Little Dragon’s Classes** (Pre-K and Kind.) – Students learn about martial arts in an exciting environment which places emphasis on both the enjoyment of the physical aspects of kung fu training and the development of respect and self-control. This class places special focus on Stranger Danger, teaching children how to avoid and escape abduction situations, as well as, how to deal with strangers.

**Youth Classes** (1<sup>st</sup>-6<sup>th</sup> Grade) – In traditional Kung Fu students are taught an appreciation for the merits of putting forth maximum effort in all endeavors. Through the development of self confidence, determination, respect and patience, students learn to deal with peer pressure and resist negative behaviors. These personal disciplines help students improve their attention span, communication skills and overall self image. In addition to self defense techniques appropriate to this age group, students in this class also learn the knowledge and restraint to use them only when true danger presents itself

## *Tutoring Assistance*

*with various teachers*

Tutoring is only recommended for a small percentage of students who need repeated, consistent reinforcement of academic concepts that cannot be obtained through the regular classroom setting. El Dorado promotes academic advancement through the individualized curriculum provided in the classroom and homework. All teachers are encouraged to advance children at their own individual rate of learning while understanding that all students learn at a different pace. **Please obtain a separate Tutoring Request Form from the office to schedule tutoring and instructor.**
